

No Insurance? No Problem!

Introducing Dr. Murdoch's new in-office discounted FREEDOM dental plan

Dr. Richard Murdoch believes everyone should have access to affordable, quality dental care and is always striving to offer the very best care to all his patients. We are now offering our new in-office FREEDOM discounted dental plan that was designed and is ideal for all patients who don't have dental insurance. It is an excellent alternative for those who want great dental benefit without the barriers of traditional dental insurance. For one low annual fee, you and your family can receive quality dental care at discounted rates. Preventative dental care is covered at 100%, and all restorative services receive a 15% discount while cosmetic services receive a 10% discount.

The FREEDOM plan is an annual reduced fee savings plan for families and individuals allowing patients to receive the complete and quality dental care they want and deserve at reduced prices. Your benefit coverage begins immediately upon registration and your renewal date is the same day annually.

Our new plan offers so many benefits! There are no deductibles, no yearly maximums, no insurance filing or waiting for payment, and there are no waiting periods that might have delayed your treatment. There is no preauthorization required, so treatment decisions can now be made by you and Dr. Murdoch, not the insurance company. The FREEDOM plan usually provides coverage for more services than dental insurances do.

Terms and conditions of the FREEDOM Plan:

- Membership is for one year beginning on the enrollment date
- Full membership payment is due at the time of enrollment and is non-refundable
- Payment may be made using cash, check or credit card
- Patient portion of fees for treatment are due at the time services are rendered
- No service discount applies if Care Credit is used for payment
- This plan is for individual use only; there are no group benefits under this plan
- This plan cannot be combined with any dental insurance
- Unused benefits do not roll over to the next plan year
- Rates for this plan are subject to change annually
- Discounts do not apply to products. It is for dental services only
- This plan is not transferable. One family member cannot be substituted for another
- Membership will automatically renew on your anniversary date unless a written request to cancel is received 30 days prior to the renewal date
- No refunds of premiums will be issued at any time if patient decides not to utilize their dental plan
- This is a plan for Dr. Richard Murdoch only, and if you are referred to a specialist, they will not be offering these same discounts

Dr. Murdoch offers two options with his new FREEDOM in-office dental plan. The Standard plan is for those who want to continue with their routine preventative dental care and have no periodontal issues, and the Periodontal plan allows for two additional cleanings for those patients who have periodontal concerns.
