

Richard A. Murdoch, DDS

Join Our Freedom Plan!

Over the years, many of our patients have asked if we could offer an in-office discounted dental plan that was simple to understand, and does not have any stipulations, frequencies, or limitations. Dr. Murdoch has created an in-office dental plan that offers just that! It is called the ***Freedom Plan***.

With the Freedom plan, you receive your preventative care, and all restorative services such as fillings, crowns, bridges, and implants receive a 15% discount, and cosmetic services receive a 10% discount. With this plan, you no longer need to be concerned about the frequencies and limitations for any additional services.

Dr. Murdoch's goal is to help make your dental visits more affordable so you can get the quality dental care you want and deserve at a discount. Our new Freedom Plan provides reduced fees/discounts on all of our services for families and individuals without insurance.

How it works:

Once your annual fee is paid for the Freedom in-office membership plan, you will be entitled to receive all services discounted at our office for the next 12 months. >Spouses and dependent children are also eligible to participate. Children may be members of this plan only if they are a dependent of a family member.

When can I enroll?

Right Now! With our new plan, you are no longer hindered by waiting periods or starting dates. Just let our front office know you would like to enroll in our Freedom plan and we will take care of everything for you!

This is a new venture for us, and we hope it will offer a solution that allows you to receive the services you need and want at a discount. Please feel free to share your feedback with us. We want this to be a partnership.

Freedom Plan Terms and Conditions

- Membership is for one year beginning on the enrollment date.
- Full membership payment is due at the time of enrollment and is non-refundable.
- Patient portion of fees is due at the time services are rendered.
- Cash, check and credit card are accepted. Any additional service discount will not apply when used in conjunction with Care Credit.
- This plan cannot be combined with any dental insurance.
- Membership will automatically renew on your anniversary date unless a written request to cancel is received 30 days prior to the renewal date.
- No refunds of premiums will be issued at any time if patient decides not to utilize their dental plan.
- This plan is for individual use only. There is no group benefit offered.
- Unused benefits do not roll over.
- Rates for this plan are subject to change annually.
- This plan is non-transferable -one family member cannot be substituted for another family member.
- Discounts do not apply to products. It is for dental services only.
- This is a plan for Richard A. Murdoch DDS, PC only. If you are referred to a specialist, they will not offer these same discounts.
